#### MARCHING BAND 2011

**“Processions and Dances: The Music of Pyotr Tchaikovsky”**

....PRIDE makes the difference....

I hope that everyone is having a great summer. The intention of this letter is to prepare everyone for band camp and the upcoming fall season. I anxiously await the beginning of band camp as we have fun, challenge one another, and continue to strive for EXCELLENCE in every way. In addition to our work on the show, we have some great group activities planned throughout band camp. **Remember that our hours during the August 8<sup>th</sup> week are 12noon-9pm every day.** We have great music selected, another great drill and strong performers returning this year. It's going to be a great year!!

*“The will to prepare is more important than the will to win” - Bobby Knight*

*“A great rehearsal must have a relaxed focus” – Mr. C*

A concept that is important to our success as a group (and in life) is the concept of PRIDE. Pride is accountable in everything that we do in band and in life. Responsibilities such as being prepared on our music, showing up on time, having all the equipment that is needed, and responding positively to leaders during rehearsals/sectionals are all ways in which we showcase our pride in our organization and in ourselves. Pride is a concept that we stress in band with obvious connections to events in everyday life. We have excellent tailor-made musical arrangements, accomplished and experienced clinicians working with us and an exciting fall season planned.

*Show pride in everything that you do!!*

I intend to be at school full time beginning August 1<sup>st</sup>. Feel free to email or call me in my office with any questions after that date. My email address, if you don't know it, is [scott.casagrand@d214.org](mailto:scott.casagrand@d214.org)

## Music Testing

We have already begun work on "Processions and Dances". This music is fun and exciting and represents a very artistic approach that we have seen many of our neighboring bands attempt. The challenge of this year's music is significant and will require **home preparation** from everyone, as always. This is great music that will keep us challenged through the fall season.

Everyone received all of the music at the June rehearsals: Part 1, Part 2, Part 3 (percussion only), and Part 4. *If you are missing music, it is **your responsibility to collect it from your section leader.*** Email me if you need contact information for your section leader. We will be spending August music rehearsal time reinforcing fundamentals and memorizing (not learning parts). **WE WILL BE TESTING ON PART ACCURACY AND MEMORIZATION OF PART 1 DURING THE FIRST TWO DAYS OF CAMP. PART 2 WILL BE TESTED THE SECOND DAY, PART 3 (PERCUSSION) AND/OR PART 4 ON THURSDAY. ANY MUSIC NOT PASSED THE FIRST TIME WILL BE MADE UP PRIOR TO REHEARSAL THE NEXT DAY.** As a reminder, music not passed the first time will automatically drop to a "C" and one letter grade lower for every time attempted and not passed. If students have not passed by the third try, despite a failing grade they will continue to test and will be unable to perform until the testing is passed. Do you have a commitment to excellence? PRIDE in your work? This will certainly reveal itself in our first tests of the year. Our success as a group depends on everyone **BEING PREPARED WHEN THEY ARRIVE!** **Your first quarter/semester grade will be affected tremendously by your performance these first days of band camp, but most importantly, your peers and the reputation of this organization are dependent upon your commitment to excellence in musical performance.**

## General Release (MEDICAL) and Information Forms were due in June

This form is available online at [www.herseyband.com](http://www.herseyband.com) In the unlikely event that an accident happens, we need a history to present to medical personnel as described on the General Release form. If you have not turned these forms in, PLEASE TAKE CARE OF IT BEFORE THE FIRST DAY OF AUGUST CAMP.

## Attendance

Attendance at band camp and ALL scheduled rehearsals is VITAL to our success as an ensemble. Every single person is important!! During Band Camp we will be setting expectations, developing a group unity and learning music and marching drill that will last throughout the fall and the school year. **We expect everyone.** All conflicts should have been registered with Mr. C in May and June. As you know, our competitors practice SIGNIFICANTLY more than Hersey, so attendance at each rehearsal is vital to our success. **Please email conflicts immediately** if you have not done so already. If there are appointments or other conflicts that can be moved to avoid missing rehearsal, PLEASE DO SO IMMEDIATELY.

## Music Expectations For All

**Everyone is expected to know their music when they arrive for band camp as described in the "music" section above.** If anyone is having problems with sections of the music, take it to your private lesson teacher or set up an appointment with me. We will be testing everyone during the first few days of camp; BE PREPARED. This testing will impact your semester grade.

## Section Leaders

We will be having an important orientation and leadership session on August 3 and 4 for section leaders, as outlined in the schedule above. We have a lot of material to cover in preparation for your responsibilities this fall. You should have your previous meeting notes, instruments and music with you on August 4. New section leaders will not need instruments on August 3. Your leadership ability will have a direct impact upon the success of our fall season and I look forward to continuing your preparation for this responsibility and helping any way that I can. We have already had a great start and I look forward to continuing in the same direction. Good luck!!

## Shared Spots -

A few students (mostly freshmen and some upperclassmen) will share a spot in the drill. This simply means that a few students will alternate practicing in a particular drill spot throughout the season. Students will be assigned a shared spot based upon instrumentation needs, individual performance level or frequent rehearsal conflicts. These spots will be assigned during band camp and will rarely change once school starts.

## 2011 Marching Band Costs

The \$130.00 band fee should have been received in JUNE. This is a nonrefundable fee that has already been contracted to clinicians that will be helping us in August and throughout the year. In addition, this cost covers the band T-shirt that will be used throughout the year, a pair of BLACK gloves, snacks for 4th quarter and meals on competition days. The uniform dictates that every student will wear BLACK gloves and the same, uniform black shoes. All students will wear the same shoe this year available through our uniform moms. No personal shoes will be acceptable. If you need new shoes, please take care of this problem immediately.

## HIA Wish List

The band room is need of a couple new 'old' couches. The current couches are in bad shape. If anyone has/or knows of anyone recycling a couple of couches in reasonable condition please contact HIA via [herseybandinfo@herseyband.com](mailto:herseybandinfo@herseyband.com)

Thanks for donations for the Water Mistlers from  
 JoAnne & Mark Mullen-Muhr  
 Sheila Finnegan & Ken Spychala  
 They helped to keep the students cool during the 4<sup>th</sup> of July Parade, and they'll be put to use again during those hot days of Band Camp.

### Uniform Fitting & Info...

Only a few students still need fittings...contact Mrs. Ellison

Another order for shoes, shirts, and ties for those who may not have ordered previously will be made on August 12<sup>th</sup>. Send the order form found on page 9 (the end of the newsletter) to Lorrie Ellison. Questions? Contact Mrs. Ellison, [ellisonL@comcast.net](mailto:ellisonL@comcast.net)

## CLINICIANS

**Marching Visual Caption and Brass – Mr. Brendan Frank** will be rejoining our staff this year. He is a graduate of Hersey and spent this summer on the visual staff of the Phantom Regiment Drum and Bugle Corp. He is the band director at Antioch Middle School.

**Marching Visual Caption and Frontline Percussion – Ms. Gina DeGregorio** has been with the staff for many years and is in charge of Marching Visual, as well as Front Line percussion. Gina is the band director at Deer Park Junior High (Lake Forest) and she has marched with the Pioneer Drum and Bugle Corp as a percussionist and French horn performer.

**Percussion - Mr. Tom Leddy** will be re-joining the staff in charge of all percussion. He holds music performance degrees from Indiana University and DePaul University and is an active drummer in the Chicagoland area. Tom teaches most of our percussion students privately during the school year.

**Percussion – Mr. Mike Holzkopf** graduated from Hersey in 2006 and was an outstanding section leader and musician. Mike has had some drum corp experience and is currently a student at Concordia College in the south suburbs. Mike will be us only occasionally this season as his work schedule allows.

**Percussion – Mitch Shelley** will be joining our staff this year. He has been on staff at Mundelein High School and is a graduate of Vandercook College of Music.

**Color Guard – Ms. Angela Anthony** will be rejoining our staff this year in charge of the color guard. Mrs. Anthony is a graduate of United Township High School and she had much success running a guard for many years. She had experience in a nationally-recognized high school guard as well as winter guard experience. Mrs. Anthony is an elementary school teacher and track coach in her "day job".

**Color Guard – Ms. Megan McHugh** will be joining our staff this year as guard choreographer. Ms. McHugh is from the Rockford area and was a member of the World Champion Phantom Regiment Drum and Bugle Corp for many years. She is a registered nurse in her "day job".

**Drill Writer - Mr. Greg Bimm** will be continuing as our drill writer this season and has also arranged all of this year's music. Mr. Bimm is the Director of Bands at Marian Catholic High School where his bands have won the BOA National Marching Championships a record 5 times. Although he will not be working with our students directly, we are excited to have his creative mind contributing to our show again this year.

**Clinician – Mr. David Morrison** will again be helping us in a limited capacity with show design and rehearsals. Mr. Morrison recently retired after 25+ years as director of the Prospect High School band and was named Illinois Teacher of the Year in 2005.

**Student Teacher – Ms. Pam Schroeder** will be joining us from the University of Iowa and will be with us until December. She is originally from Iowa and is a trumpet player. The Iowa Director of Bands described her as their "top music education student this year". It's been several years since I have allowed a student teacher to work with and I have been impressed with this young lady thus far.

**Brass and Woodwind Technicians -** We will have three Hersey grads and current music ed majors working band camp this year, including **TJ Mack, Ilona Widomska, Kelly Nyquist, Julie Ellison and Sara Reich.**

## Preparing for Band Camp

The following list will help you prepare for the upcoming camp. These items are necessary to make you as comfortable as possible.

### REQUIRED LIST:

Make sure that you have the following items upon arrival to the first day of camp. **SEE THE ATTACHED FLYER AND PURCHASE MOST OF THESE ITEMS THROUGH our BAND CAMP KIT that is available :**

#### Clothing:

1. Tennis shoes - no heels, no sandals (NO high top sneakers- they restrict ankle movement essential to good marching)
2. Loose, comfortable clothing
3. A hat and sunglasses to protect eyes and face
4. Suntan lotion for afternoons and insect repellent for evenings!!
5. **A jug of something to drink!!** - Gatorade or kool-aid is best for quenching that "deep down" thirst - VERY IMPORTANT. **THIS JUG SHOULD BE SOMETHING that can be tied and worn around the neck so that you can get a drink during rehearsal WITHOUT LEAVING THE FIELD.**

#### Classroom materials, etc:

1. **Chalk** to mark drill coordinates that you are learning on the blacktop. Poker Chips will be provided by the school on the first of camp when we use the field.
2. Band Camp Drill Cards-explained below.
3. Section Leaders will need a notebook for drill charts.
4. Make sure your instrument is in working order.
5. **School-owned instruments** - make sure that one is available and that it works!!! I will be in school by August 2 - come in and check one out, if needed. **The first day of camp is too late to take care of this.**
6. Eat large, substantial meals throughout camp!!
7. Eat large, substantial meals throughout camp, **particularly breakfast!!!**
8. **BRING A DINNER - GOING OUT WILL MAKE YOU LATE RETURNING TO CAMP.** Dinner will be 45 minutes and will fall around the 5pm hour.

Only section leaders will be issued full drill charts (they will not need note cards). All other students will need the bound note cards described below. Both the optional and required items are very important to insure a productive, valuable and safe band camp experience. Make sure that you obtain these items as soon as possible.

## Band Camp Bound Notecard (AKA "DOT BOOK")

Except for section leaders who will be responsible for notebooks, all students will purchase a bound set of note cards with the attributes described below. **You can purchase these in the band camp kit.** All students do not need to carry a notebook; these cards should be more effective and useful. They will be used to record your own individual coordinates for each set/picture of the show. **THEY WILL BE USED EACH AND EVERY DAY FOR THE ENTIRE LENGTH OF THE SEASON AND THEY WILL BE CHECKED THROUGHOUT THE SEASON.** Coordinates describe your exact location on the field for each picture formed. You will have a different set of coordinates for each picture. There will be approximately 70-80 pictures in this year's show. The NOTECARDS must conform to the following attributes:

1. Have at least **40 cards** in one binder (you can use the back of each card as well).
2. They should be bound by a METAL OR PLASTIC binder in a **spiral fashion** that runs the length of the card (this **must** be durable). THREE RING BINDERS ARE UNACCEPTABLE – they don't last the season, the pages tear easily and are lost.
3. A rope, string or shoestring that runs through the binder and is long enough to go over your shoulder. This will enable you to carry the coordinates while still marching and playing your instrument - don't use your pocket because it wears out the cards prematurely.
4. Your name and coordinate number should be on the front cover (the coordinate # will be assigned during camp).

These cards should be carried at ALL REHEARSALS through band camp and the fall season, so make them as durable as possible. These cards will allow you to look up your coordinates quickly, which will facilitate learning at a more rapid pace. If the cards are lost or fall apart before the end of the season, it is the student's responsibility to replace them immediately. Notecards will be turned in for **grades** throughout the season. If you haven't yet reserved your band camp kit – SEE THE FLYER ON PAGE 6 FOR INFORMATION ON THE BAND CAMP KITS AND PURCHASE THIS ITEM THROUGH MRS. SANTRY.

## Notecard Grades

Students will be asked to pass in their notecards/notebooks periodically to assure that they are up-to-date. Every ten to fifteen pages of drill learned will be tested in "coordinate"/phrase length tests. Start committing your coordinates/phrase lengths to memory immediately so that you do well on these tests. They are essential to improving our "cleanliness" in executing the drill and have a large impact on our performances. Making sure that your coordinates are correct and up-to-date is essential. Your up-to-date notecards/notebook and coordinate tests, as well as music tests, will encompass a major portion of your first and second quarter grades - **be prepared!**

## Band Camp Notebook for Section Leaders Only

Only section leaders will need to have the notebook. Each section leader will receive their own personal set of drill charts that they must keep with them at all times. This set of charts (approximately 80 pictures this year) will contain everyone's personal coordinates and directions for marching maneuvers during the actual marching performance. Section leaders should have these notebooks at ALL rehearsals, from August through the end of October. The notebook, which will be occupied exclusively by drill charts, will consist of:

1. Hard back, three-ring binder notebook (soft backs will not last the season)
2. At least 40 laminated sheets, which will have back-to-back 8x11 drill charts placed in them.
3. A rope long enough to run through the binding of the notebook and over your shoulder. This will enable you to keep the drill charts with you while marching.
4. A pocket (handmade is fine) to hold a permanent pencil that will be used to take notes, etc.
5. **VISIBLE NAME AND COORDINATE NUMBER WRITTEN ON THE FRONT** - many notebooks have a tendency to be lost or mixed up with other notebooks because names and/or coordinate numbers were not clearly visible on the cover. Your name also identifies your notebook for coordinate tests.
6. **ALL OF YOUR OWN INDIVIDUAL COORDINATES MUST BE WRITTEN OUT ON EACH PAGE.**
7. Pouch - Include a pouch in your notebook to keep many personal and required items (chalk, pencil, etc). The notebook is with you all of the time and is therefore a secure place for valuables.

*You are responsible for listing your own, personal coordinates in your notebook on each and every page.*

## HIA Freshmen Parent Meeting

**Wednesday,  
August 17<sup>th</sup>  
7:30pm**

**Mark your calendar! We'll fill in what parents should expect in the band program, activities to volunteer, and Q&A. We'll meet in the choir room.**

## The ever popular **Band Camp Kit**

*(if you forgot to order at registration)*

For your convenience, the HIA is offering a Band Camp Kit for \$10.

It will contain the following items:

- Water bottle lanyard
- 2 large pieces of chalk
- Regulation dot book (pre-printed with diagram of the football field)
- Dot book Strap

Each page of the dot book will require a diagram of the football field. These pre-printed pages will save time and effort!

All items will be labeled with your name and distributed on the first day of camp.

Contact Mary Santry via e-mail ([mmesantry@att.net](mailto:mmesantry@att.net)) or phone 847-394-8031 if you have questions or would like to place an order.

*Special thanks to Mike Price, who very generously designed and printed the dot books.*
